Report

On August 14, 2023, a compelling talk on "Competitive Examinations and Career Opportunities in Political Science" was delivered by Amritavarshini, a PhD scholar from Mahatma Gandhi University, Kottayam. Held at the Conference Hall of MSM College, Kayamkulam, the session was well-attended by 52 undergraduate students, who eagerly absorbed the insights shared. Amritavarshini, drawing from her extensive academic experience, provided a comprehensive overview of the various competitive examinations relevant to political science graduates, including UPSC, state public service commissions, and other significant assessments. She emphasized the importance of a strong foundational knowledge in political theories, governance, and current affairs, along with strategic preparation techniques to excel in these exams.

The second part of her talk focused on the diverse career opportunities available to political science graduates. Amritavarshini highlighted roles in public administration, policy analysis, international relations, and academic research as promising career paths. She also discussed emerging fields such as political consultancy, digital governance, and non-governmental organization (NGO) management. The session concluded with an interactive Q&A, where students received personalized advice on navigating their career paths and leveraging their political science education effectively. The event was instrumental in broadening the students' perspectives on their future prospects and provided them with actionable strategies to achieve their career goals.

REPORT

The Department of Botany at MSM College, Kayamkulam conducted a Career Guidance and Counseling Program on 06/12/2023 .The program commenced with an inaugural address by the Head of the Department of Botany, highlighting the importance of career guidance and counseling. The program gave an awareness of the competitive examinations of Kerala Public Service Commission. These kinds of programs help the students to understand their interests, strengths, values, and personality, which can make their career choices. The session provides information about various career options and paths and assists in setting realistic and achievable career goals based on student's skills and aspiration. The students actively participated in the program and respond positively.
