Dear Readers,

It gives me great pleasure to present the April edition of our college newsletter, *Herald de Milad*. This month has been marked by several memorable events that reflected the spirit of unity, academic excellence, and mutual appreciation that define our institution.

One of the major highlights of the month was the PTA Farewell, Honouring and Endowment Distribution Programme, which brought together parents, teachers, students, and distinguished guests in a meaningful celebration of achievement and service. The programme not only recognised the academic excellence of our students through endowment distribution and awards but also honoured the accomplishments of our sports achievers.

The occasion became even more special as we bid farewell to our retiring staff members, whose years of dedicated service have greatly contributed to the growth and reputation of the college. Their commitment, sincerity, and invaluable contributions will always remain a source of inspiration for our academic community.

Such programmes remind us of the importance of collaboration among teachers, parents, and students in nurturing a healthy educational environment. I sincerely appreciate the efforts of the PTA, faculty members, organising committee, and students who worked tirelessly to make the programme a grand success.

As we move forward, let us continue to uphold the values of excellence, discipline, compassion, and collective responsibility that form the foundation of our institution.

I congratulate the editorial team of *Herald de Milad* for their efforts in documenting the activities and achievements of the college community.

Wishing all our readers success and happiness in the days ahead.

With regards,

Prof. (Dr.) A. Muhammad Thaha
